

DRUMHELLER

COUNCIL POLICY

COUNCIL POLICY #C-02-02

SIDEWALK MAINTENANCE

THE PURPOSE OF THIS POLICY IS TO:

Wherever possible reduce the risk of slips and falls on Town sidewalks.

POLICY STATEMENT:

The Town of Drumheller will ensure that municipal sidewalks are maintained in a reasonably safe condition insofar as the Town's financial resources and staff availability will allow.

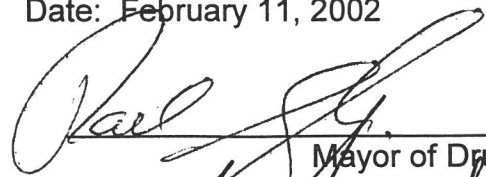

STANDARDS

All sidewalks will be inspected on an annual basis and repairs will be done on a priority basis depending on the amount of foot traffic in the area. In the case of snow, sidewalks will be cleared when ever possible within three working days of the storm.

Wheelchair ramps will be constructed in new development areas and in existing areas, as finances become available.

Adopted by Council

Date: February 11, 2002

Mayor of Drumheller

Chief Administrative Officer
