Transport Canada (TC) will not make your comments on a project available to the public on the online public registry. However, any information related to a work is considered unclassified as public record and could be accessible upon legal request. If you want to provide confidential or sensitive information that you think should not be made public, please contact TC before submitting it.

However, comments will be considered only if they are in writing (electronic means preferable) and are received not later than 30 days from the publication of the last notice. Although all comments conforming to the above will be considered, no individual response will be sent.
