

2025 General Design & Construction Standards

Unless otherwise noted within municipal regulations, that the Town of Drumheller shall follow the latest versions of the Alberta Environment & Parks Standards and Guidelines for Municipal Waterworks, Wastewater and Storm Drainage Systems as well as the City of Calgary's standard specifications for water, sanitary, stormwater and transportation systems and the full suite of design guidelines maintained by the City, along with Industry Bulletins released from time to time by the City of Calgary to amend these guidelines.

The Developer and/or Contractor shall be governed by the latest versions of the following standards, which can be accessed via the links below.
